The consumer must pay have attacked General Brabant, at Wepener, in the extreme eastern part of the Free State. Brabant is said to have between 2,000 and 3,000 coimpressed with the future possibili- prices and the canner's profits are to have between 2,000 and 3,000 co- less, 1 wish "Joker" much success.

discussion some would invariably ask if it would not be possible to secure an electric line, because it was much cheaper; and the answer has been that the expense and damage attached to transferring freights from an electric to a steam line would be considerable—so much so as to cause freight rates to be greater than competition would permit. After seeing the facility with which one of these electric motors handled regular freight cars, as above cited, we are satisfied that the discussion of electric lines to serve our purposes is not altogether a waste of breath.

THE PEOPLE WIN AT LAST.

For many years the local press has been hammering away at that national iniquity, the manner of letting star-route contracts, and at last they

Is due to an acid poison which gains access to the blood through failure of the proper organs to carry off and keep the system clear of all morbid, effete matter. This poison through the general circulation is deposited in the joints, muscles and nerves, causing the most intense pain.

Rheumatism may attack with such suddenness and severity as to make within a few days a healthy, active person helpless and bed-ridden, with distorted limbs and shattered nerves; or it may be slow in developing, with slight wandering pains, just severe enough to make one feel uncomfortable; the tendency in such cases is to grow worse, and finally become chronic.

Like other blood diseases, Rheumatism is often inherited, and exposure to damp or cold, want of proper food, insufficient clothing, or anything calculated to invasi the health will formatic. 168 AZ# food, insufficient clothing, or anything calculated to impair the health, will frequently cause it to develor in early life, but more often not until middle age or later. In whatever form, whether acute or chronic

inherited, Rhaumatism is Strictly a Blood Disease, and no liminent or other external treatment can reach the trouble. Neither do the preparations of potash and mercury, and the various mineral salts, which the doctors always prescribe, cure Rheumatism, but estion and break down the constitution.
